HEASLIP CUP TO TEMACEO

ALMA DUFOUR IS SCRATCHED AND ELLISON'S GOOD COLT WINS EASING UP.

Al Muller Defeats Glorifier and Lens—Sea Swell First in the Two-Year-Old Race—Matt Winn Bids Farewell to New Orleans.

New Orleans, La., February 1.—Temaceo added $1,600 to Charles R. Ellison's account when he cantered home an easy winner in the Heaslip Cup, the feature race at City Park today. It was the third stake that Temaceo had won, which means that this horse has more than paid his way here this winter. The conditions of the Heaslip Cup called for a journey of two miles, and Temaceo carried top weight. He showed that he was a stayer by rating along in behind the pacemaker until in the last quarter, where he moved up and drew away under restraint. There were only four starters, and one of them, Redgauntlet, stumbled and lost his rider before they had gone six furlongs. Sea Salt was in front for a mile and five furlongs, then Temaceo moved up and passed him and the race was practically over. Belleview was a distant trailer all the way.

The condensed history of the Heaslip Cup is as follows:

Year.	Winner.	A.	Wt.	Jockey.	Val.	Time.
1906	Har. Stephens.	4	112	Nicol	$1,570	3:45
1907	Alma Dufour.	6	116	Nicol	1.660	3:32⅘
1908	Temaceo	4	117	Notter	1.600	3:42⅘

The Fizer stable furnished two of the afternoon's winners in E. T. Shipp and Al Muller. Both colts made runaway affairs of their races, and both were ridden by jockey C. Henry, R. A. Smith's apprentice rider. E. T. Shipp beat Higginbotham a length, while Al Muller won his race in a canter by a length and a half from J. H. McCormick's Glorifier.

Sea Swell proved an easy winner in the two-year-old race which she won from Gloriole. Brougham came in for strong support, the supposition being that the heavy going would improve his chances. Jockey McDaniel succeeded in getting Brougham off in front, but after leading his opponents for a furlong the colt tired, but stayed long enough to finish fourth.

Dr. Heard made most of his own pace in the full-course steeplechase, and won in a canter from Bell-the-Cat. The latter made a determined challenge when approaching the twelfth jump, where he took off a bit too far and almost fell. This mishap seemed to affect his speed and he tired in the final furlong.

At the request of his employer, R. E. Watkins, the stewards have granted jockey Delaby permission to ride again, and the boy will be seen in the saddle Monday. Delaby will, however, be forced to confine his riding exclusively to the horses owned by Watkins.

Ike Bauer, a well known Cincinnatian, who formerly raced a big stable in the west in partnership with Pat Gorman, arrived here yesterday, accompanied by his son. Bauer is on his way to Tucson, Arizona, where he will remain for some time in an effort to regain his health.

A number of people left today for Tampa, Fla., to be on hand for the opening of the meeting there, which is scheduled to begin on Wednesday next. There are 132 horses now at Tampa, while ninety-five will leave on the steamship Morgan, which sails on Monday next. Among those who left tonight were C. C. Smith, Claude Jones, C. H. Colby, Stoney Abrams, Charles Campau, Harry White, James Stevens and James Milton. The latter, who has been one of Mars Cassidy's assistants here, has been engaged to do the starting at Tampa.

In an interview today Matt J. Winn had the following to say regarding his retirement as general manager of both tracks here.

"I am leaving New Orleans at this time solely because my duties at Louisville and at the Empire City track call me away. As I said several weeks ago, I did not think I would be able to finish out the season here and now I find that my presence at the two points is absolutely necessary. In Kentucky the racing situation is not as clear as it might be and I am anxious to be on the ground to assist in the preparations for our coming meeting at Churchill Downs. You may state positively that the New Louisville Jockey Club will hold its spring meeting this year as it has for more than a decade.

"We are contemplating some improvements at the Empire City track and my associates in that enterprise have been so insistent on my presence there that I feel I can no longer put the matter off. You will remember that when I accepted the management of the tracks here I had not made the Empire engagement. That is more important to me than are my duties here.

"In a measure I am sorry to sever my connections with the local racing. I feel, however, that we have accomplished to the letter the thing we set out to do and now, that affairs are running along smoothly, there is no longer any absolute necessity for my presence here. I am duly grateful for the kind treatment accorded me and am glad to be able to feel that racing in Louisiana is on such footing that there can be no cause for apprehension by those who wish to see it prosper."

CALIFORNIA HANDICAP TO MONTGOMERY.

Winner of the Burns Again Defeats Rifleman and Clamor—Wins in a Canter.

Los Angeles, Cal., February 1.—Montgomery, recent winner of the Burns Handicap at Oakland, easily demonstrated that he is by far the best horse now in training in California, by winning the California Handicap in a canter, easily packing his burden of 128 pounds and simply making his opponents look cheap when the real racing began on the turn for home. Although he was held at short odds his victory was popular, the occupants of the grandstand shouting vociferously as he romped past the judges. A beautiful floral horseshoe was placed around his neck, the big horse tamely submitting to it and appearing to appreciate his laurels.

The beautiful weather brought out one of the largest crowds ever seen at a southern California race track. Secretary E. C. Smith offered a splendid card and the afternoon's sport was thoroughly enjoyed.

The twenty-one books which drew in today had all they could do in handling the big speculation.

The first run-up in some time was done by Dick Williams, who ran up Alma Boy from $400 to $800 and secured him.

John W. Schorr, the Memphis brewer and turfman, who has been here for a short stay, left for San Francisco tonight.

Achieve won her third successive race and the second at this track when she easily beat a good band of youngsters in the second race and established a new track record for the distance. C. W. Riley ran a good race and was easily best of the others.

W. B. Jennings did not ship his highly bred filly, Rosegal, to Oakland to start in the California Oaks, as he had previously announced, but kept her here to start in the handicap for three-year-olds. When it came to the running of the race she showed great speed throughout and finished an easy winner. Early Tide was in close pursuit of the winner all the way but second place was the best he could gain.

CUBAN METROPOLIS TO HAVE HORSE RACING.

Meeting to Take Place at Havana Next Month Under Cuban Management.

The following communication to Daily Racing Form, dated Havana, January 25, will be of interest to the racing folks of this country:

"We feel sure that you will be interested to learn that horse racing in the West Indies will be taken up on March 12, of this year.

"The attached memorandum is taken from the official program of the Estacion Invernal, which is the Spanish for winter season. A regularly organized commission has been appointed to take up the matter of giving entertainment to the visitors in Cuba each year. Heretofore it has not been possible to keep the people entertained for a long enough period and that deficiency is to be supplied by this commission. They are late in starting this year, but that will be made up next year without any question.

"The Cuban Racing Association is being fathered by the Festival Committee of the Estacion Invernal, which insures the proper treatment of all people who compete or who come to see the races. The track is located at Buena Vista, about five miles from Havana on the Havana Electric Railroad and the United Railways of Havana, which provide plenty of transportation facilities for the crowds.

Yours very truly,
Edgar W. Dennison,
Secretary."

The "attached memorandum" referred to reads as follows:

"Thursday, March 12th, Carreras de Caballos.

"In the afternoon. Official inauguration of horse-race season. Under the auspices of the Festival Committee, the awards of $20,000 in prizes by that committee, given to the Cuban Racing Association, being divided into one first prize of $5,000, two prizes of $2,500 each and five $2,000 prizes. Information as to the racing card for the succeeding days, entry blanks, and general inquiries may be addressed to Arturo Hernandez, secretary, Cuban Racing Association, 37 Cuba street, Havana, Cuba."

Ever since Cuba became a free nation there has been intermittent talk of racing at Havana, but nothing has come of it. That winter racing at Havana might prove successful and profitable, if under good management, seems highly probable. Possibly the beginning of well established annual racing is in sight in the present project of the Cuban Racing Association.

EMPIRE CITY TRACK IMPROVEMENTS.

Many improvements will be made in the Yonkers course before the opening of the gates in August. A contract has already been let for the construction of a new field stand. This was sadly needed last summer. The field stand that was used last August was at the best only a temporary affair, and was miserably inadequate to the demands of the fielders.

The new stand will be of steel and concrete and will be fully as large and probably larger than the present grandstand. There will be some minor changes made in the old grandstand and in its approaches.

The only change that will be made in the track itself is the opening up of the chute for the running of six furlongs races. At the last meeting this chute could not be made ready in time and all the races originally intended were run over a short course to avoid starting the fields on a turn.

Stabling facilities will be bettered by the construction of between 700 and 750 additional stalls.

KENTUCKY'S RACING DATES DISCUSSED.

Lexington Horsemen Are in Favor of Opening the Season at Churchill Downs.

Lexington, Ky., February 1.—A meeting of the board of directors of the Kentucky Association will be held Monday to determine whether or not application for dates preceding or following the spring meeting at Louisville will be made and whether or not stakes for the local spring meeting will be opened. Had a meeting of the State Racing Commission been held yesterday as intended, the local association might have followed out the time-honored order, "Lexington, Louisville and Latonia," and made application for dates beginning with the third week in April. However, the question was widely discussed in local racing circles yesterday and today and several of the directors have expressed the opinion that it would be better for horsemen and all concerned to have the Kentucky season open at Louisville during the first week in May, the understanding being that the New Louisville Jockey Club will request twenty-one days and then come to Lexington for ten days and thence to Latonia for the twenty-five or possibly thirty that will probably be given that track.

Garrett D. Wilson voices the reasons of the directors favoring this plan. He says: "A majority of the horses that will race at Louisville and Latonia this spring will come from the south. By the customary route Louisville is right on the way from New Orleans and Memphis to this city. It would be cheaper for horsemen to ship first to Louisville. The cost of shipping from Louisville to Lexington and from Louisville to Latonia is practically the same. Lexington, too, would be benefited as to quality of horses, for local people would have more time in which to get them ready and people who stopped at Louisville would ship up only their best ones.

Another thing in favor of this plan for Lexington to open the season would be better weather. With twenty-one days for Louisville and ten for Lexington, saying that Louisville would open on Saturday, May 2, would make opening day at Latonia Monday, June 8. That would be two days earlier than Latonia opened last year and four days earlier than Louisville opened, but the latter track had thirty days last spring. It is, I believe, generally understood, that they will apply for only twenty-one this spring."

The notions of Matt J. Winn, who is the general manager of the association here as well as the holding company controlling the two tracks at Louisville, will of course, have much to do with the ultimate shaping of this matter of dates. He is expected here from New Orleans during the coming week and the wishes of the board of directors of the local association will be made known to him as early as possible.

Vice-president Hal P. Headley of the Kentucky Association, will leave Tuesday for an extended trip to Mexico. Mr. Headley is the owner of Beaumont and La Belle farms and has in the past two years sold numerous horses for export to Mexico. While his trip is largely one for pleasure, he will devote much time to a study of the prospects for the thoroughbred breeding industry and the racing problem in that country.

RACING AND BETTING IN FRANCE.

Fortunately, a good understanding prevails between the Societe d'Encouragement and the Municipality of Paris, the owners of the race course in the Bois de Boulogne. Longchamps has long been hampered for want of room, and the two-year-old racing there has not been so well patronized as at Maisons-Laffitte and Chantilly, where there are excellent T. Y. O. courses on the straight. The assent of the municipality has been gained, and we are told that the work of laying out a track of seven furlongs, starting from the Boulogne road and finishing within 100 yards of the windmill, will be ready for racing this coming year, says the Paris correspondent of London Sportsman. M. Ruau has come forward as the champion of the annual horse show, which has always been successful in the old Galerie des Machines on the Champ de Mars. The building belongs to the City of Paris, and a contract has been made for its demolition. M. Ruau is anxious to save it, but the municipality does not seem inclined to listen to the minister of agriculture. Several sites have been suggested where the building could be re-erected, but the City of Paris has hitherto rejected every proposal, although M. Ruau has pointed out to them the immense advantages which accrue to the French capital from the attractions offered by an international horse show specially reserved for breeding material. The minister of agriculture announced that the show would be held in the same place next year, and that he hoped later on to find some eligible spot where it could be continued.

M. Ruau has published, or caused to be published, a paragraph announcing officially that the receipts of the mutual betting attained during the year 1907 the sum of 101,000,000 francs, or $20,160,000, or an excess of $1,400,000 more than in the preceding twelve months. He announces that the receipts at the gates of the race courses have also increased to $560,000, or about $60,000 more than in 1906. The minister of agriculture is no doubt anxious to bring every possible argument to bear on the success which has attended the suppression of the bookmaker and endeavor thus to close the door effectually against his return. He has been able to show that the attendance on the race courses has not fallen off.

CALIFORNIA OAKS DECIDED

THE USUAL SURPRISE IN FILLY STAKES IS FURNISHED BY CARMELINA.

Keep Moving Defeats Marian Casey for Second Money—Poor Riding Defeats Duke of Milan—St. Francis in Front.

Oakland, Cal., February 1.—H. W. Hoag's three-year-old bay filly Carmelina captured the California Oaks at Oakland today from one of the best bands of fillies that ever contested for the race. Carmelina was the extreme outsider in the betting and her astute owner backed her well at the long odds on the strength of the extraordinary improvement she has shown in her recent work. Interest in this year's Oaks was greatly enhanced by the presence of the crack eastern filly, Keep Moving, which had been brought on from New Orleans expressly with a view to its winning. On the strength of Marian Casey's ridiculously easy victory over Keep Moving at even weights recently, the consistent Star Ruby filly was made a hot favorite and entrusted with limit wagers at short odds by backers of favorites and when the result appeared to be in doubt during the running of the last hundred yards, with the possibility of defeat for the favorite imminent, the great throng broke into a wild demonstration of applause when it perceived Carmelina steal swiftly up on the inside and pass Keep Moving right at the end.

The tabulated history of the California Oaks is as follows:

Year.	Winner.	Wt.	Jockey.	Val.	Time.
1896	Argentina	117	Doggett	$1,940	2:01½
1897	Not run this year.				
1898	Briar Sweet	117	A. Clayton.	1,440	1:58⅗
1899	Espionage	117	Hennessey	1,440	1:57½
1900	Not run this year.				
1901	Janice	117	Bullman	2,868	2:00
1902	Muresca	112	L. Jackson.	1,910	1:59
1903	Esherin	112	Bullman	1,900	1:57⅕
1904	Cap and Gown	112	J. Daly	2,340	1:55
1905	*Loretta M.	117	Prior	2,240	2:03⅗
1906	Tenordale	112	W. Dugan.	2,910	1:48⅖
1907	Eudora	112	W. Dugan.	2,730	1:54
1908	Carmelina	112	Heatherton.	2,580	1:54⅕

*Distance to date 1 1-8 miles.

The remainder of the card included three good secondary features, the juvenile race, won by Madrileno, the Brentwood Handicap annexed by Miss Rillie, and the closing affair at six and a half furlongs, in which the crack sprinter, Gemmell, was beaten by St. Francis. Outsiders swept the board, and the speculatively inclined public sustained another very disastrous day.

W. E. Lemmon, part owner of Pajaroita, has been fully exonerated from any connection with the pulling of the horse Pajaroita last December, in which the trainer and jockey were implicated, and subsequently ruled off.

Both Keogh and Davis were in the saddle today and their work was very unsatisfactory. In the case of Davis, particularly, it was almost criminal to intrust a horse to a boy who had just got up from a sick bed in such atrocious weather. Neither Marian Casey nor Gemmell, two public choices, had much of a chance under him.

Sandy is another case of a sickly jockey always out of condition, and who should not be allowed to accept mounts until he has recovered strength enough to guide them a straight course. His riding of Mason's crack two-year-old, Duke of Milan, was conspicuously weak. Duke of Milan was so much the best that he could have been left at the post and won had Sandy been able to infuse a little vigor into his ride.

KEENE'S GRAND NATIONAL CANDIDATES.

What the Epsom Derby is to flat racing the Liverpool Grand National is to steeplechasing, the foremost race of the world. The highest class racing men of England and Ireland strive for its honors. King Edward's Ambush II. won it in 1900, and he is an annual nominator, his representative this year being Flaxman, by Hackler—Circe.

The Grand National of this year received seventy-one nominations. American interest will attach to two entries made by Foxhall Keene. His representatives are the chestnut mare, Chorus, by Chorister—Helena, by Mortemer, foaled in 1898, and the bay gelding, Prophet, by Horoscope—Royal Nun, foaled in 1899. Prophet was in the Grand National of last year, and there was talk of his having an outside chance to win, but he was not started. It is to be hoped one, if not both, of his candidates, will be sent to the post this year.

The Grand National is run over a course of almost four and a half miles, the exact distance being four miles and 856 yards. It is a severe and trying course, and the horses that contest it are always fully grown and at the highest of their muscular development. The youngest horse entered this year is a five-year-old, and of this age there is but one named. The six-year-olds are ten in number. This leaves sixty eligibles, all of which are seven years old or older, a condition hard to match in the steeplechasing of this country.

FRANK GILL THRIVING EXCELLENTLY.

New York, February 1.—The recent cold weather with a high wind off the ocean, kept the horses wintering at Gravesend in their stables for the first time this winter. J. L. McGinnis, who has been at the track every day looking after his horses, says it is too cold for him, and he will leave early next week for a six weeks' visit at Palm Beach.

"Pretty cold," says McGinnis, "but here are tickets to Palm Beach, Florida, which I will use next week, and I think it will be warm enough down there. This winter I have been living right at the Gravesend track and have been with the horses every day.

"How about Frank Gill? Well, I refused a bona fide offer for him of $25,000 a short time ago. That is enough, isn't it? He is in fine condition and looks like he would train beautifully for his engagements. Without bragging, I believe I have one or two two-year-olds that can run a little, too. I didn't send Frank Gill to Kentucky for the short stud season as I intended, because I thought it might spoil his temper and perhaps ruin him for racing this year. He has too many good chances for me to do that. Mr. Dwyer advised me not to send him to Kentucky.

"All the horses are in fine health and have been out regularly, jogging and gallopng whenever the weather was favorable."

JOCKEY SHAW HAS ENOUGH OF EUROPE.

New York, February 1.—Jockey Willie Shaw has decided to remain in this country next season and apply for a license to ride on the metropolitan tracks. It is reported that he will ride regularly for T. M. Cassidy, with the privilege of accepting mounts on horses trained by Frank D. Weir.

NOTES OF THE TURF.

Foreman Edward Nash of the Brownleigh Park Stable, says Beckon has filled out wonderfully well this winter and will be a much better filly as a three-year-old than she was last season.

Peter Sterling is now being pointed for the Waterhouse Cup, which his owner, E. Trotter, has thoughts of winning, since he could not get the Lord Esterling horse ready for the Burns Handicap.

Joseph E. Widener, it is said, has entered his six-year-old steeplechaser El Cuchillo in the Grand Steeplechase, to be run in June at Auteuil, France, and the full brother to Coligny will be sent across the Atlantic next spring to be trained for the race by Eugene Fischoff.

G. L. Richards, of Boston, who has raced New York and Palette for several years with Frank Lightfoot as trainer, has decided to sell the horses at auction. They will be offered for sale at New York February 20, and if sold will mark his retirement from the turf for the present.

Roehampton, the ten-year-old chestnut horse by Bathampton—Agnes Flash, which has been doing stud duty at the Antrim Stud of Dr. James Kerr near Warrenton, Virginia, for the past few years, has been leased by his owner, J. G. Follansbee, to Hunter G. Breckenridge for service at his Catawba Farm, Botetourt County, Virginia.

A. B. Spreckels has given the name Pinares to a promising two-year-old colt by Marius II., which Enoch Wishard will race next season on the New York tracks. The colt is a half-rother to Voorhees, the best horse that ever carried the Spreckels colors. Voorhees will not be raced again, as his underpinning is shaky. He will be retired to Napa Stock Farm for sire duty.

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed; nor will any answers be sent by mail.]

A. P. J., St. Louis, Mo. Zelina's prices were correctly printed and your informant was mistaken or a falsifier.

J. H. K., Chicago. The matter would require too much time to compile. All charts of New York racing are contained in the Annual Form Book published at this office.

Jones, Toronto, Ont. The backer is not entitled to a second winning bet on Raleigh. The "coming" money from scratches was exhausted by Meada and Pedro before the Raleigh race came on.

McM., Chicago. The vagaries of betting are not always to be accounted for, but as a general rule the closing odds represent the pressure of the money taken in and efforts to round out the book by tolling money in on comparatively unbacked horses. There never is any such uniformity as you suggest in prices and the race you cite is not out of line in any respect. It simply gives the prices offered at post time.

Frank J. L., Cincinnati, O. There is no relation between the two cases. Sea Salt was entered in one purse race and no other. The backer, in making a parlay, carelessly wrote a wrong number for Sea Salt's race. Had the horse won he would have expected payment and undoubtedly have received it. Banposal was scratched from a purse race and added to a stake race, in which he had long been entered. The moment he was scratched from the purse race bets on him for that race became draws.

Went to post at 1:51. At post 11 minutes. Start good. Won handily; second and third driving. Dominus Arvi showed a high turn of speed throughout, was taken the shortest way and held Mary F. safe in the closing strides. The latter came fast in the final eighth and finished gamely under urging. Don Domo, after running well to the stretch, tired suddenly under the whip in the last hundred yards. Escalante finished resolutely. Diamond was a prominent contender to the stretch and finished gamely, but tiring. The others were outpaced throughout.

Scratched—69938 Tony Faust, 107; 72750 Cruzados, 107; 72877 Stray, 107; (72992) Chalfonte, 104; 72938 Nun's Veiling, 102; 72734³ Red Garter, 104; 72992 Interlude, 104; Rusticus, 104.

Riley ran a good race, was needlessly under keen punishment and finished gamely next to the rail. Apto Oro, off poorly, made up ground and, in a long stretch drive, finished fast. Foreguard ran in improving form and finished resolutely. Harry Stanhope showed early speed, but tired in the stretch.

The latter was always in nearest pursuit and, in a long stretch drive, finished gamely, but was not good enough. Harcourt ran a good half and tired into a distant third in the final eighth. Burt G. Winner—Ch. c, by Pessara—Montgomery Cooper (trained by S. C. Hildreth).

Went to post at 3:11. At post 5 minutes. Start good. Won cantering; second and third driving. Montgomery raced forwardly until turning for home, then passed into an easy lead midway of the stretch, simply making his opponents appear cheap thereafter. Rifleman was always prominent in the running and, in a long stretch drive, showed rare gameness. First Peep came from far back in the final eighth and finished very fast. George S. Davis set the pace fast for over a mile, but tired badly in the stretch drive. Rubric closed a big gap and finished fast under punishment. Frank Flittner was going fast at the end. Colonel Jack went well for a mile and retired.

Livius trailed for a mile and three-quarters, then moved up fast after turning for home and, in a gamely contested finish, held Mamie Algol safe. The latter was saved for over a mile and a half and moved up fast when called on, but could not quite get up. Big Bow was in prominent and game contention from the start and tired in the final sixteenth. Rip Rap set the pace for a mile and a half and retired.

Winner—B. g, by Rubicon—Miss Reel (trained by H. A. Cotton).

Went to post at 1:43. At post 1 minute. Start good. Won driving; second and third the same. Captain Burnett, from a striding start, was reserved early, dashed through on the last turn and, challenging midway of the stretch, outstayed Mansard in a hard drive. The latter was excessively urged to outpace the lightly-weighted and fast non-stayer Red Bill and tired finally. Zelina, prominent early, dropped back slightly on the far turn and came on in the stretch into a fast going third. Shenandoah began very slowly and was outpaced to the stretch, then made a whirlwind finish and is out of place in sprints. Western ran in forward and game contention throughout. Red Bill again failed to stay. Agnolo showed early speed, but quit badly. The winner was entered for $1,200; no bid.

Winner—Ch. g, by Ethelbert—Old Madrid (trained by W. H. Spence).

Went to post at 2:10. At post 2 minutes. Start fair. Won driving; second and third the same. Madrileno, from a flying start, skimmed the rail closely, saving three lengths, established a long stretch lead and held sway to the end, but was lucky. Work Box, from a good start, made a wide turn and lost a half dozen lengths, but was fast wearing the leader down at the end. Hazlet, after forward pursuit of the pacemaker throughout, tired in the closing strides. Duke of Milan, knocked to the rear at the start, closed a big gap and was best. Minorca was prominent in the early running after getting away poorly. Arveright Leonard had no chance. Edward Ormonde had scant chance at the start.

Went to post at 2:33. At post 2 minutes. Start good. Won easily; second driving; third the same. Miss Rillie, fresh and extra good, ran in forward pursuit of Joe Coyne from the start, dashed into the lead on the stretch turn and comfortably held sway to the end. Joe Coyne made the running for seven

furlongs and sulked on the turn, then came again resolutely. Wing Ting, from a slow inside start, was anchored in the bog-like mud to the first turn, then maintained nearest pursuit of Joe Coyne to the far turn and went wide under a weak finish. Edwin Gum trailed fairly well up and made a cyclonic finish under a bad rider. Mortiboy, after forward contention for a mile, failed to stay.

Winner—Blk. f, by Orsini—Carthagena (trained by H. W. Hoag).
Went to post at 2:59. At post 1 minute. Start good. Won easily; second driving; third the same. Carmelina, from a good start, was reserved within striking distance in the early running, came through on the inside in the stretch and, securing a winning advantage, scored luckily. Keep Moving displayed extraordinary improvement and helped force the pace throughout, went wide into the stretch and finished a very game second. Marian Casey set the early pace and was excessively urged to keep the lead, stumbled repeatedly at the end and should have won. Supine was well up from the start and going well at the end. Cloyne, after forward contention for seven furlongs, quit badly. Margaret Randolph made up ground in the last half. Adena lacked speed. Catherine F. was outclassed.
Scratched—73000³Bravoure, 112.

Winner—Br. c, by St. Dory—Likewise (trained by W. St. Vincent).
Went to post at 3:24. At post 1 minute. Start good. Won driving; second and third the same. Wolfville, from a flatfooted start, was shuffled to the rear and, making up an immense gap in the last half, got up in the last stride of a lucky race. Boloman, away poorly, moved up quickly, set the pace and drew out on the last turn, appeared all over the winner in the stretch, but his rider was caught napping at the end. Dorado was bumped against the fence on the first turn and lost three lengths, was then reserved patiently and challenged in the last quarter, but was again interfered with and tired finally. J. R. Laughrey failed to stay and was palpably short. Bill Curtis retired early. The winner was entered for $600; no bid.

Went to post at 3:53. At post 16 minutes. Start good. Won driving; second and third the same. St. Francis, from a lucky start, was patiently reserved for half the journey in close pursuit of Gemmell, then drew up and finally outstayed him in a terrific stretch drive. The latter, hurt by the long delay at the post, made the running to the last sixteenth before he succumbed and finished swerving into the deepest going. Ocean Shore broke slowly and ran prominently throughout, but was repeatedly shut off and given a bad ride. Ed Davis was shuffled back at the half, but held on well afterwards and is promising. Vox Populi, away poorly, steadily improved his position and ran a good race. Eudora ran poorly.
Overweights—St. Francis, 2 pounds; Ed Davis, 3; Vox Populi, 3; Senator Warner, 4.

Sea Swell wore Gloriole down on the turn into the homestretch, raced with her closely until she tired and drew away into an easy lead at the end. Gloriole, off with a rush, dashed to the front soon after the start and ran the best race she has yet shown. Cunning closed a big gap after leaving the post slowly. Brougham left the post with the lead, but dropped out in the first quarter and ran below his best form. The others were outpaced all the way.

Winner—Ch. g, by St. Gatien—Jude (trained by J. O. Gray).
Went to post at 2:24. At post 2 minutes. Start good. Won easily; second and third driving. Dr. Heard went to the front after taking the fifth jump and held his opponents safe for the remainder of the trip. Bell-the-Cat was rated along in the middle of the bunch until in the last turn of the field, where he gradually improved his position and made a game effort when going to the twelfth jump, where he took off too far and almost fell, then tired in the final drive and had to be ridden out to stall off Little Wally. The latter closed a big gap while going the last time around. Dr. Logan tired. John Dillon showed speed for a mile and then retired. Creolin pulled up very lame. Bank Holiday finished well. Dawson went well and should improve by this race.

Went to post at 2:54. At post 3 minutes. Start good. Won handily; second driving; third the same. E. T. Shipp outbroke the others and ran into a winning lead in the first sixteenth, was rated along in front all the way and had something left to stall off Higginbotham's challenge at the end. The latter, on the inside all the way, saved ground on every turn and was driving hard all of the last furlong. Posing was well up and a game contender nearly all the way. Keator was crowded back soon after the start and was taken to the outside and went a bit wide on every turn, then finished gamely and was wearing the leaders down at the end. Royal Onyx tired. Chief Hayes can do better. The winner was entered for $1,500; no bid.
